

Please stop by our

Winter Open House!

Thursday, Dec. 8
5:30 p.m. – 8 p.m.

State Rep. Steve McCarter's office is holding a winter open house so that residents of the 154th Legislative District can stop in and learn more about the state government services that we offer. Congressman Brendan Boyle's office will also be participating in our event in their office, which is in the same complex as ours.

Learn more about the state and federal programs that could benefit you, all while getting to know your representative and congressman and enjoying some light refreshments!

Winter Open House

State Representative

Parking Information:

There is a parking lot directly in front of our office building. Please park there if you can find a space. If there are no spaces, metered street parking is often available along Glenside Avenue directly in front of our office complex. Still coming up empty? There's metered parking in two lots on either side of Bickley Road, just off Glenside Avenue. Bickley Road is just slightly closer to Easton Road than our office complex.

Please RSVP that you'll join us by calling (215) 572-5210 or emailing
