The Springfield Township Planning Commission met in a regular monthly meeting at 7:00 PM at the Springfield Township Building. Present at the meeting were Ms. Helwig, Ms. Murray and Mssrs. Bruce, Devine and Gutowski. Also present at the meeting was Mr. Taylor, the Township Manager, and Mr. Jarrell, Community Planner.

**Approval of the Minutes**

Mr. Taylor reported that the notes of the prior meeting could not be located and therefore the minutes of the last meeting could not be presented for approval. Mr. Gutowski noted that the only action taken at the last meeting of the planning commission was to refer the Historic Resources Overlay District to the Board of Commissioners, and that subject be revisited this evening. A motion (Bruce/Helwig) to incorporate the actions taken at the August 20, 2019 into this evening’s meeting was approved by unanimous consent.

**Old Business**

Ms. Helwig announced her desire to revisit the Village Commercial Zoning District ordinance that was drafted approximately ten years ago. Mr. Taylor agreed to provide the ordinance for distribution at a future meeting.

Mr. Bruce asked about the status of the revised parking ordinance that was under consideration by the planning commission. Mr. Devine and Ms. Helwig suggested that the ordinance was referred the Board of Commissioners for their consideration. Mr. Taylor noted that he had not received a letter recommending the ordinance. Mr. Gutowski said that he does not recall signing a letter of recommendation either.

Mrs. Murray announced that the new, mixed-use redevelopment project located in the 900 block of Willow Grove Avenue has been completed and several new businesses are now open, including a restaurant and coffee shop. A specialty/fresh food market has been open for several months and is quite popular.

**Historic Resources Overlay District**
