## on the cover: Sandy Run Park

Springfield Township accepted ownership of Sandy Run Park in May of 1999 from the United States Department of the Interior. Formerly the Cascetti Quarry, operations ceased in 1958 after a snowstorm knocked out power in the region and the quarry hole filled with water. The United States Navy uses the 14-acre facility for underwater sonar testing.

## no news is good news

When you register for any of our recreation programs, do not wait by the phone or camp out at your mailbox.

You will hear from us if:

- The class is full
- The class is canceled
- There is a change in time and/or day
- There is a change in program location

If it's almost time for your class to begin and you have not heard from our staff, that is good news! It means the program will run as detailed on RecDesk.

---

## you snooze, you loose.

Nothing cancels a good program quicker than waiting until the last minute to register. If there are not enough registrations by the specified deadline, the program could be canceled! For the status of a program or details about a possibility of a cancelation, call 215-836-7600.
