

# How to Register for Beanstack and Add Readers to Your Account

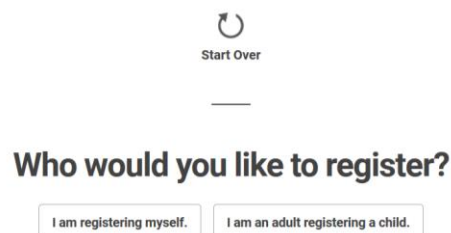

Go to <https://springfieldmontco.beanstack.org>

The screenshot shows the top of the website with the 'Free Library of Springfield Township' logo on the left and 'Reviews', 'Share Code', and 'Sign In' buttons on the right. The main banner features the text 'IMAGINE YOUR STORY' in large letters, with 'YOUR' in a yellow box. Below it is 'Summer Reading 2020' and the library's logo. The banner is decorated with four circular illustrations: a person with wings on a tent, a person reading a book, a dog reading a book, and a person reading a book on a plant. Below the banner, the text reads 'Sign up for the Summer Reading Club here' followed by 'Programs available for babies and toddlers, children, teens, and adults'. A blue button labeled 'Register an Individual or Family' is centered below the text.

Scroll down until you see the blue “Register an Individual or Family” button. Click that button.

Choose whether you are registering yourself or you are an adult registering a child. An account may have multiple readers associated with it, so you can sign up with one account for multiple family members (other adults, teens, and children).

The registration form shows a 'Start Over' button with a circular arrow icon. Below it is a horizontal line, followed by the question 'Who would you like to register?'. There are two radio button options: 'I am registering myself.' and 'I am an adult registering a child.'.

If you are registering yourself, you will be asked to provide your information first:

### Reader's Information

<b>First Name *</b>	<b>Last Name</b>
<input type="text"/>	<input type="text"/>
<b>Email</b>	<b>Confirm Email</b>
<input type="text"/>	<input type="text"/>
<b>Password (At Least 6 Characters) *</b>	<b>Password Confirmation *</b>
<input type="text" value="Use a minimum of 6 characters"/>	<input type="text" value="Use a minimum of 6 characters"/>
<b>How old are you? *</b>	
<input type="text"/>	
<b>What grade level will you be in this fall? *</b>	
<input type="text" value="Please choose a grade level"/>	
<b>How did you first hear about our Beanstack program? *</b>	
<input type="text" value="Please choose an answer"/>	

Please provide your name and email address (your email address is what you will use to sign in to your account) and create a password.

Please answer the required questions. The age and grade level questions make sure that each reader is assigned to the appropriate reading challenge. Adults need only to select “18+” for age and “Adult” for grade level.

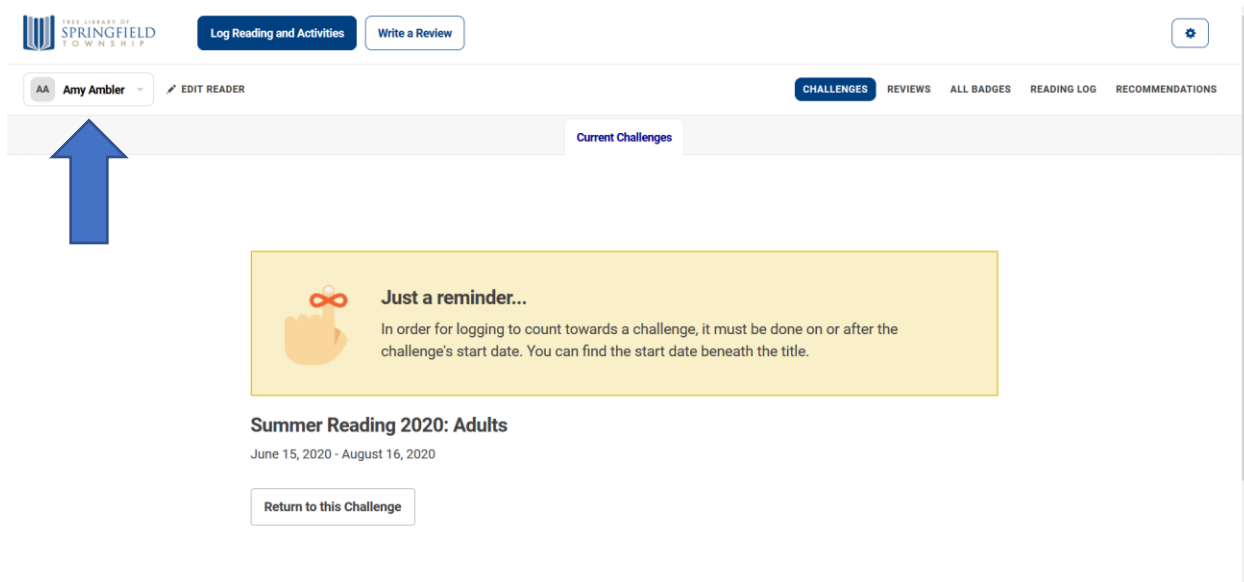

Once you are registered, you will have the opportunity to add other readers to your account.

### Register an Adult for Free Library of Springfield Township Summer Reading Club

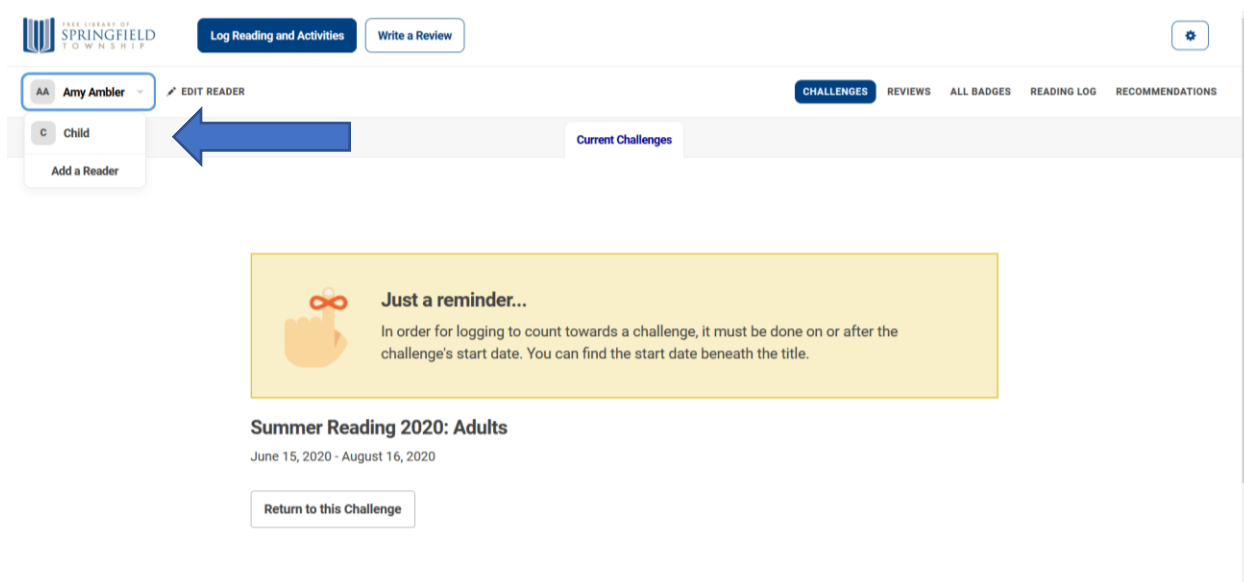

<b>First Name *</b>
<input type="text"/>
<b>How old are they? *</b>
<input type="text"/>
<b>What grade level will they be in this fall? (If Applicable)</b>
<input type="text" value="Please choose a grade level"/>
<b>How did you first hear about our Beanstack program? *</b>
<input type="text" value="Please choose an answer"/>

[Next](#)

When you are done registering readers, you will be taken into your account. It will default to the first reader that you signed up.

To switch between readers, click on the arrow next to the current reader's name, and a drop-down list will appear of other readers on the account. Select the name of the reader you want to switch to. If you need to add a reader at any point after your initial registration, select "Add a Reader" from this list and enter the new reader's information.

If you have a large number of readers on the account, you will not see individual names on the drop-down list. Instead, select "Change Readers" and select the appropriate reader from the next screen.

Add A Reader

Congratulations! You are now successfully registered for our reading challenge. Please see other documents for instructions on how to log reading and activities, how to write a review, how to view your rewards, how to share readers with another caregiver, and how to update reader and account information.
