Original Program	Virtual Program Name	Dates / Times	Ages	Fee	Program Description	Registration Code	Virtual Program Link
** New Program **	Engineering for Kids: Electronic Game Designs	July 13 - July 17 Time: 9:00 am - 10:30 am	8 - 14 years old	\$99.00	Papa's Pizzeria is the busiest it has ever been. In Electronic Game Design: Pizza Delivery, we will create our own version of a platform game that will require players to collect ingredients, make pizza and serve all of the hungry customers. We will use the Engineering Design Process to create a storyboard to outline the rules of play and characters for our game. Then, we will use Construct to bring our storyboard to life with programming. For more information on current class offerings please contact greaterphila@engineeringforkids.net	n/a	RecDesk
