Fairy Tale *Scavenger Hunt*

Little Red Riding Hood

Once upon a time, there was a girl with a beautiful red cloak, and she was known as Little Red Riding Hood. One day, Red took some food to her grandmother, who was ill. On the way, Red met a wolf in the woods. The wolf tricked Red into taking a longer path, and ran off to grandmother's house himself. The wolf gobbled up grandmother in one bite, as he was very hungry. Then he dressed in her clothes and climbed in her bed. When Red arrived, she thought grandmother looked strange.

"My, what big ears you have," she said. "The better to hear you with," the wolf said. "My, what big eyes you have," she said. "The better to see you with," the wolf said. "My, what big teeth you have," she said. "The better to eat you with," the wolf said and gobbled up Red in one bite.

A passing woodcutter heard the noise, went into the house, and chopped the wolf open. Out came grandmother and Red. "Hooray," they shouted, and lived happily ever after.
