

Fairy Tale *Scavenger Hunt*

Goldilocks

Once upon a time, there was a girl with blond curly hair named Goldilocks. She came upon a cottage in the woods and knocked, but nobody was home. She went inside and found three chairs of different sizes. The first chair was too tall, and the second chair was too wide. She tried the third chair, and it was just right. But she was too heavy, and it broke. Then Goldilocks went into the kitchen and saw three bowls of porridge on the table. The first bowl was too hot, and the second bowl was too cold. She tried the third bowl, and it was just right. She ate it all up. Goldilocks was tired, so she went into the bedroom to look for a place to nap. The first bed was too hard, and the second bed was too soft. Then she tried the third bed, and ahh, it was just right. Goldilocks curled up and went right to sleep.

It turns out that the cottage was the home of three bears. When they came home, they were not happy. They knew that someone had been sitting in their chairs and eating their porridge. When the bears went into the bedroom, they discovered Goldilocks sleeping. She woke up, saw the bears, screamed, and ran all the way home.
