

EAC April Zoom Meeting

Wednesday, April 22, 2020 7:07 PM

Attending:

Aaron, Brandon, Joy, Charlie, Desiree, Chris, Patrick, Jay, Melissa, Peter, Pat

Board update:

- Updates on bridge work to save money
- DCNR – Mermaid Park stream habitat restoration and Cisco Park playground grants
 - 50% will pay for, we need to come up with the other 50%.
 - Overlapping grant applications including the DEP and Montco
- Appointed new police officer, replacing retirement of a senior officer

SolSmart Authorization:

- About a month ago, BOC at behest of EAC to authorize Township staff to become a SolSmart community. Looking at our ordinances to become more solar friendly.

EAC Facebook Page:

- Approved to have an EAC Facebook page.
 - Chris and Zeta volunteered for this.
- Needs township approval before posting (Brandon).
- Another requirement is to disable comments.
 - FB page should limit Admins to township staff, posters to just EAC board members
 -

Township Update:

- Weekly leaf collection has started.
- There was a door hanger for the township.
- Staff will tag the bag as to why it was not picked up.

Partner Updates:

- Melissa Brooks - Looking to get recycling to the school system. Stephen volunteered to also help out, mentioned the Terracycle.
- RF 100 update – good conversation previous week, targeting the Montco level position. More work to be done, but starting to hone in on what we want to target.

Old Business

- Sign up for the new website to get the EAC mailings
- Chuck Cam – soon to be connected to the site, COVID-19 has delayed the final step in hooking that up.
- Arbor Day partnership – was cancelled. Board did designate this coming Saturday as Arbor Day in the township.
- 2020 Workshops – planning on the 4 different workshops.
 - How do we approach this in the current environment.
 - Webinar probably the best format – being able to designate someone to handle questions and such
 -
