SPRINGFIELD TOWNSHIP

The Board of Commissioners of Springfield Township met in regular monthly meeting on Wednesday evening, July 8, 2020, at 7:30 PM for the purpose of transacting the general business of the Township. Mr. Standish noted that as a result of this transition, the Township Administration/Police Building and the Free Library of Springfield Township are now open to the public, with accommodations in place to safeguard the public health and the well-being of staff. All visitors to any Township facility are asked to wear a face mask while in the building in order to help prevent the spread of the COVID-19 virus. Mr. Standish noted that all public playgrounds, athletic fields, trails, restrooms, and fishing areas have also reopened, and that outdoor field permits will be considered with restrictions on the total number of people per field and facility. Mr. Standish announced that the Board of Commissioners and Advisory Board meetings will continue to be held virtually using the Zoom conferencing platform out of an abundance of caution for public health, and to ensure that public gathering restrictions do not unintentionally inhibit the ability of any member of the community to participate in a Township meeting. Mr. Standish encouraged all members of the community to exercise caution and adhere to public health guidelines issued by state, local and federal agencies to help prevent the spread of the virus.
