

DIY PIRATE TREASURE CHEST

Materials needed :

Empty cardboard egg carton

Paper

Glue and scissors

Decorating supplies

Paint, markers, or crayons

Instructions:

1. Cut the egg carton in half if you wish or use the full carton.
Peel off any labels if you can.
2. Color the entire carton with paint, markers, or crayons or leave it the original color. Use a pen or marker to add the look of wood-grain details.
3. Make gold trim by using paint or cutting out strips of yellow paper and gluing them on.
4. Decorate your treasure chest with any supplies you have on hand (stickers, sequins, etc.).
5. Fill egg carton cups with cotton or tissue paper if desired.
6. Cut out circles of construction paper and place in chest to be the pirate booty. Add any other treasure you want to hide.
