

SPRING BLOSSOM CRAFT

Materials needed :

- Construction paper (full piece, blue if you have it)
- Yarn (brown if you have it)
- Tissue paper (various colors)
- Glue
- Markers or crayons
- Scissors

Instructions:

- 1.** Cut yarn into different-sized pieces to create your tree trunk and branches.
- 2.** Glue yarn onto the piece of construction paper background in the shape of a tree.
- 3.** Cut tissue paper into small squares, about 1" for each side
- 4.** Crumple up each piece of tissue paper into the the shape of a bud or blossom (kind of like a ball or circle).
- 5.** Glue the tissue paper blossoms onto your tree branches.
- 6.** Use markers or crayons to finish your spring scene; you may want to add the sun or clouds, grass or dirt, or even some spring animals.
