

Springfield Township Parks and Recreation *Parks, Open Space and Pathways Classification*

MINI PARK

Distance to Residence
Less than 1/4 Mile

Size Criteria
< 1 Acre

General Description
Address limited recreation needs. The park is generally a walk-to type park, meaning no parking facilities for automobiles. Other amenities typically include gazebos, benches, scenic overlooks, picnic tables, and ornamental landscaping.

Chiaramonte Park, Wyndhill Park

NEIGHBORHOOD PARK

Distance to Residence
1/4 Mile - 1/2 Mile

Size Criteria
5 - 10 Acres

General Description
Address basic recreation, social needs, informal and passive recreation. Features include aesthetically designed play areas, picnic areas, splash pads, ball fields, skating, open space for field games, shelters, and walking paths. Typically neighborhood parks do not provide off street parking; however parking is usually necessary due to the scope of activities and size.

Permit Available
Athletic Field Use

Springfield Township Parks
Bysher Park, Laurel Beech Park, Marlow Park, McKelvie Park, Veterans Park

COMMUNITY PARK

Distance to Residence
1/2 Mile to 3 miles

Size Criteria
10 - 50 Acre

General Description
Serves broader purpose. Community based recreation needs as well as preserving open space. Large play structures, baseball diamonds, football fields, soccer fields, hiking trails, sled hills, and swimming pools can all be part of a community park.

Permit Available
